TCA DESCRIPTION

Themes and goals:	<p>The SALTO Education and Training TCA Resource Centre was established by the European Commission in 2018 to support Erasmus+ National Agencies to improve their training and cooperation activities (TCAs) – formerly known as: transnational cooperation activities - until 2020. The acronym SALTO stands for Support, Advanced Learning and Training Opportunities. The Resource Centre is hosted by the Hungarian Erasmus+ National Agency, Tempus Public Foundation (TPF). The TCA Resource Centre serves as an overall supporting body to the NAs by: providing online and offline platforms and tools for promoting consultations, planning, effective realization and evaluation of training and cooperation activities; designing trainings for increasing the capacities of NA staff regarding TCAs; making the results of TCAs accessible for the public. After making the LTA template capable of handling the co-organising partners, the complexity of the page needed a more logical, more user-friendly menu-structure: Saltonak emlékeztető: átnevezzük a Country-t Hosting country-ra?</p>
